Subject: Rumor Control - Election Certificates

Managers,
I am trying to control some rumors. There is a change in the way we will do EIC operations that will impact your regions;

- There are 79 counties without DPS offices in them.
- To provide full coverage of the state we are getting 79 additional mobile Light EIC units.
- The plan is for these systems to be operated by county employees.
- DPS will have to train the employees using our facilitators at central locations around the state (I do not know where because I have not seen a list of these 79 counties yet).
- Your facilitators and Asst Mgrs will need to get trained by the ITS people on the new EIC system for the new computers.
